

# NATURE'S CHOICE

The Consulate of the Commonwealth of Dominica in Athens, Greece offers the complete range of services for yacht registration and the Citizen by Investment Programme

The Commonwealth of Dominica known as the 'Nature Isle of the Caribbean', is not a typical Caribbean Island like the neighboring islands of Martinique and Guadeloupe. Its mountainous terrain and the 365 rivers and lakes make it the ideal destination to rejuvenate, relax and refocus.

Since 1993, Dominica has been welcoming foreign investors to become citizens of the island with full rights by making an economic contribution to a government fund and since 2015, via investment in Government approved real estate options. Known as the Citizenship by Investment Programme (CIP), successful applicants unlock a wealth of benefits including increased travel freedom to over 140 countries and territories, and the ability to pass citizenship down to future generations.

Over the last four years, Dominica has been ranked as the best destination for second citizenship by experts at the Financial Times' PWM magazine. Furthermore, the Citizenship by Investment Unit (CBIU) had introduced a remote filing process since the Hurricane Maria period and all filing during the COVID era has proved swift and smooth.

The entry level for the CBI Programme is US\$100,000 for the Government Fund and US\$200,000 for the Real Estate option. Both are cost-effective solutions and the Dominica CBI option has changed the lives of many persons around the globe. Recently, enhancements were brought to the programme by redefining the qualification dependents, granting the possibility to add siblings, who are aged below 25 years, of the main applicant or of their spouse, and granting the possibility of adding new dependents at the post naturalisation period.

One of the main advantages it offers to the owners, is to allow private yachts to charter out for a period of up to 84 days
